City of SeaTac

MINOR CONDITIONAL USE PERMIT

DEFINITION AND PURPOSE:

A Minor Conditional Use Permit (MCUP) is a permit administratively granted by the City Manager or his designee. The MCUP may be granted for:

- 1. The expansion of a legal, existing conditional use where the expansion is no greater than 20%.
- 2. Certain types of Wireless Telecommunication Facilities per SMC 15.22.030(E) and 15.31.030.

The CUP process is a means of imposing special conditions and requirements on development, so that the compatibility of uses shall be maintained considering other existing and potential uses within the general area where the conditional use is proposed. Conditions imposed on a CUP will reasonably assure that a nuisance or hazard to life or property will not occur. The MCUP process is not a means to reduce the requirements of a district where the conditional use is proposed.

A MCUP may be requested provided the MCUP conforms with the following criteria:

CONDITIONS FOR APPROVAL:

- 1. A MCUP shall only be allowed upon request to expand an existing, legal conditional use which has previously been permitted within the zone classification or for certain types of Wireless Telecommunication Facilities per SMC 14.22.030(E) and 15.31.030
- 2. For a previously permitted CUP, the requested expansion of the existing conditional use is no greater than 20% of the gross floor area of the existing conditional use.
- 3. The requested MCUP is exempt from environmental review under the State Environmental Policy Act (SEPA).
- 4. The minor conditional use must conform to the criteria as set forth under Section 15.22.030 of this Code.
- 5. The minor conditional use must conform to all other requirements of the Code.

Conditional Use Criteria – Section 15.22.030

1. The proposed use is listed as a Conditional Use under the zone classification use charts, Chapter 15.12 of the SeaTac Municipal Code Volume II.

- 2. The applicant must justify:
 - a. The site is adequate in size and shape for the proposed project and the use conforms to the general character of the neighborhood.
 - b. The unique character of topography, arterial streets, and adjacent land use complement the proposed conditional use.
 - c. The conditional use would not be detrimental to surrounding land use.
 - d. Modifications to standards are limited to those which will mitigate impacts in a manner equal to or greater than the standards of this code.
 - e. The conditional use is such that pedestrian and vehicular traffic associated with the use will not be hazardous or conflict with existing and anticipated traffic in the neighborhood.
 - f. The conditional use will be supported by adequate public facilities or services, and will not adversely affect public services to the surrounding area unless conditions can be established to mitigate adverse impacts.

SUBMITTAL:

1. FILING FEE:

PROCEDURE:

- 1. It will take a minimum of six to eight weeks from the date of filing for a decision regarding a MCUP to be made.
- 2. The City Manager or his designee will make the final decision regarding the MCUP. The MCUP may be approved with or without conditions.
- 3. The decision of the City Manager or his designee will be sent to all adjacent property owners within 500 feet of the proposed MCUP. Recipients of the MCUP will have the opportunity to comment on the MCUP or to appeal the decision to the Hearing Examiner.
